A message from the Principal

At the end of my first full week, I want to say thank you to all of you for welcoming me to the school. I'm already beginning to see what a wonderfully warm and strong school community there is here.

One of our key challenges is to find an effective approach to behaviour that fits with the ethos of the school. You will all have received a draft Behaviour Policy and I would very much welcome your feedback. We've already had some really useful responses that will help us to create an approach that everyone can get behind. If you haven't read the draft policy already, please do take some time over the weekend to have a look.

Yesterday I ran the first Parent's Forum sessions – thank you to everyone who came, your input is extremely valuable. It's really important that you are able to talk to me about your thoughts and concerns. The next events will be on Thursday 28th September at 3.00pm and 6.00pm.

Have a great weekend and see you all next week!

- **Joss Hayes**

Draft Behaviour Policy Consultation

We are inviting all parents to feed back to us their thoughts about the draft Behaviour Policy. Please respond by Monday. We will be discussing the approach with the older children and inviting their comments - do talk to your children about it as we will listen to all their feedback too.

Parent Forums

Joss is holding fortnightly parent forums on Thursdays from 3pm-3.30pm and 6-6.30pm. This is an opportunity to come and meet Joss, to ask questions, present ideas and to hear about any key changes and developments in the Academy. If you would like to attend one of these forums, please come to the Front Reception (College Road entrance) promptly in good time for the session you wish to attend.

Trip consent forms reminder

If you haven't yet returned your trips consent form we sent you this week, please do so as soon as possible so your children are able to go on local walks. Many thanks.

Singing together – weekly choir. All are welcome this Saturday 11-1pm with the wonderful Jannah Warlow. This is a fun and rewarding choir, open to all adults and older children who want to come and sing. Music from around the world and through the seasons. No music reading necessary. In our beautiful chapel. Entrance via College Road black door. £5 drop in. Bring a Jumper, bring a friend.

Friends of SAB UPDATE:

All come along to our parent/carer social next Tuesday (see flier overleaf). Then next Friday morning, you are welcome to come to reception for coffee and mandala making. This is informal and free.

SAB WhatsApp groups: Join the 'School notices' group 'Booty' group and the 'Chat' group to stay in touch. Text Alena on 07500 008337 if you want to join

Remember to join the school's Facebook page and the Steiner Academy Bristol singing and craft groups on Facebook too. The 'Unofficial Steiner Academy Bristol lift share and, walk/bike, child care group' is also handy for just about anything.

Calling all bakers!

If you love a bit of baking, would you be happy to be on the rota to make yummy cakes for the Thursday staff meetings? That would be a great support for the staff each week! We like to look after our teachers. Text Sarah on 07767 462355
