Parent room – let's make it beautiful! *Thursday 12th January*

The school has now a dedicated Parents' Room that can be booked (via the office) by staff and parents/carers to meet. We are looking for your help with making the Parents' Room a beautiful and comfortable meeting place. The room needs one or two standing lamps, rugs, an easy chair and/or bean bags / cushions, a little bookcase and more ideas / resources. If you can give some of your time and/or donate any of these items please bring them to the school - we are meeting on Thursday 12th January at 2pm to begin to organise the room and share more ideas. If you have any queries and contributions please contact Monica : mfarina@hotmail.com / 07515 915 000

There will be a coffee morning at The Kingfisher Café on the Friday the 3rd of February. We hope you can join us for an informal social after drop off in the morning.

OTHER NEWS

Scarlet Fever

There has been a diagnosis of a case of Scarlet Fever in Kindergarten. It is contagious for 36 to 48 hours before any symptoms occur. They were only in for one morning and were diagnosed yesterday. If you would like any more information about Scarlet Fever please check the [NHS site](#). We hope that you all remain well.

New staff members

We have a number of new members of staff who have joined the team in the New Year. On Reception, we have Kathryn Stefanovich, who is our new School Receptionist and Anna Martin-Smith, our new Administrator, who will both be on the front desk Monday to Friday.

We also welcome Evie Roberts, our new Finance Officer and Louisa Skinner, our new Admissions Officer, who will be working 3 days a week in our Admin team, but who is also a very experienced Teacher who will be leading Kindergarten's Cherry class on Mondays and Tuesdays. We know that you will all be very welcoming to our new team members and we hope you will all help them to feel at home in our school community.
