What do I need to do to apply for a school place?

- Check out the guide to applying for schools – available at www.bristol.gov.uk/schooladmissions The guide contains details on how and when to apply, information on each school along with their admissions policy and oversubscription criteria. With the mix of different types of school from church schools, foundation schools, academies, Free Schools and community schools the admissions policy could be different for each school you put as a preference so it's important to ensure you check this carefully.
- Some schools require supplementary forms to be completed as well as the common application form – make sure you check if this applies to the school(s) you are interested in.
- Look at the school's prospectus and its website which are useful sources of information.
- You can name up to three school preferences – we advise you put down three preferences.
- Make sure you apply on time – the deadline is 15 January 2017.
