WORLD BOOK DAY! 2nd March 2017

As you will know a week today the Lower and Middle school at SAB are celebrating World Book Day. Here are a few reminders for the day itself:

- All children need to bring in **£1 as a donation** to the school library (in return we shall be asking for their ideas on the variety of books they want to see on the shelves!)
- There will be a range **of reading activities on the day** itself so all children need to

come prepared with a copy of their favourite book.

- All children will receive a **£1 book token** that can be swapped at any local bookshop for one of TEN special WBD books or it can be used to take £1 off a full price book.
- **Dress code:** We have asked staff to be inventive this year and dress up as book characters too. We would love children to do the same but please can we remind you that these characters need to **come from books and not from films or comics!** This is a celebration of books. Thank you for your co-operation with this.

OTHER NEWS

A new equalities and diversity group is starting – get involved

We are looking to set up an Equalities and Diversity steering group.

The aims are to support the whole school community to be fully inclusive, and support the creation and development of policies where appropriate e.g an LGBTQ policy.

The group will meet bi-monthly and will liaise and feedback to the governors and the head.

Criteria for joining the E&D steering group:

Essential:

- People with a clear understanding and commitment to the principles of inclusion

Desirable:

- People with lived experience of being a minority / a child of a minority group
- People with experience of policy writing
- People with professional experience of working with equality and inclusion

Week 1 of our Crafting and Textiles After School Club.

The theme was MASK and first introduction to beginnings of the theatre...

One of the old forms of performance, before the theatre started the way we know it these days, was the tribal dance. Danced by shaman, or member of the tribe in the mask of the animal, who was connected to them...

I asked children to have a little think, what animal they feel for and make their own mask...:). LUCIA.
